GNA Board Bios

There are currently 6 Board positions to be filled including the 2 Board Members Seeking Re-Election

Current Members Seeking Re-election:

1. Meryl McDaniel is a lifelong resident of Stamford. She has been a member of the GNA since 2004 and has volunteered her accounting skills as Treasurer for GNA for over 14 years.

She is always available to help with any of GNA projects especially our spring/fall plantings for the beautification of Glenbrook.

Meryl very much looks forward to continuing to serve Glenbrook as a Board member.

2. Melanie Soper has happily lived in Glenbrook since 2001. A daily commuter to NYC for 18 years, she has always appreciated the convenience of Glenbrook and the friendly neighborhood.

Melanie retired from work in the pharmaceutical industry, and now spends her time volunteering for GNA and other Stamford-area organizations, including STARelief & Pet Assistance and Stamford Health.

Melanie is married and the pet-parent of Dexter and Gus, a large cat and a small dog, respectively.

New Candidates:

3. Laurie Doig has lived in Glenbrook for 25 years. She previously served on the GNA Board from 2010 to 2018. During that time, she was the Recording Secretary and VP. Thanks to Laurie efforts, GNA placed GNA plaques on the planters around Glenbrook and offered members GNA decals.

Laurie and her husband live on Howes Ave. where they raised their three children (all grown).

4. Lori Constantine has been a resident of Glenbrook for 24 years and actively participating in GNA's cleanup and beautification days.

Among other volunteer activities, she is a member of First Congregational Church of Stamford leading the Spiritual Care team; VP of River Hills Ski Club helping with finances, membership, events and administration; a regular volunteer at the Bartlett Arboretum, working in the perennial & butterfly gardens, supporting plant sales & Arbor Earth Day Festival.
